

## ICE Virtual 2021 Promo Information

**Dates:** 24-28 February 2021

**Official Website** – <https://icevirtualcongress.com/>

**Promo text:** The cutting-edge knowledge in Endocrinology is coming straight to your doorstep! Join the ICE Virtual Congress, from the 24th to the 28th of February 2021, and enjoy a unique online learning experience. Thanks to the superb work of the Program Organizing Committee and our FASEN and FELEAN hosts, you will enjoy an outstanding scientific program with presentations provided by leaders and experts from around the world. The user-friendly virtual environment will provide you with the opportunity to collaborate across a variety of disciplines and specialties, interact with the speakers, meet industry colleagues, and network with fellow colleagues internationally from the comfort of your home or workplace. Learn more about the event and register today!

**Congress newsletter:** Your members can also sign for the Congress Newsletter to receive more news on the bottom of the [Home page](#) of the official website

**Social Media:** If you use social media for the promotion, please use the hashtag **#ICEVirtual2021** and you can also tag us with **@isendo (for Facebook and Twitter)** and **International Society of Endocrinology** (LinkedIn)
